

CERTIFICATION INTENSIVE COURSE

Virtual

February 18 - 19, 2027

MEETS ALL CONTINUING EDUCATION REQUIREMENTS FOR THE CERTIFIED COMPLIANCE EXECUTIVE (CCE) AND CERTIFIED COMPLIANCE PROFESSIONAL (CCP) CREDENTIALS

Certification Intensive Course

Online Course • February 18 - 19

What are Certification Intensive Courses?

Certification Intensive Courses are offered by the Health Ethics Trust (HET) providing attendees the most current strategies, tools, and best practices to operate an effective compliance program along with pertinent information on the latest regulatory and enforcement developments.

Why are they called "Certification Intensive"?

Not only are these programs intensive in the amount of information that is covered, but Certification Intensive Courses also satisfy all continuing education requirements for the Certified Compliance Professional (CCP) and Certified Compliance Executive (CCE) credentials. These credentials were the first compliance professional certifications 30 years ago and are the most respected today.

Why should I attend?

The Health Ethics Trust brings together a top-notch, national faculty for all its programs and Certification Intensive Courses are no different. Whether your needs are certification based or not, Intensive Courses are the most efficient, cost-effective way to get the information you need to be a successful compliance professional.

Continuing Education Units:

Certified Compliance Professional (CCP) and Certified Compliance Executive (CCE) Credentials

Completion of the Certification Intensive Course provides attendees with all continuing education required CEU's to apply for HET's CCP and CCE credentials. This course also provides continuing education credit toward other recognized professional compliance credentials.

Topics and Agenda (tentative)

Day 1- February 18:

"Compliance- The Essentials"

Not only does an organization need to have a healthy and collaborative culture for the compliance program to be successful; it needs a strong foundation of basic compliance principles.

8:45 am	Registration
9:00 am	Compliance Trends
10:00 am	Quality & Compliance
11:00 am	Reporting: First Line of Defense
12:00 pm	Lunch
1:00 pm	Compliance Investigations I
3:00 pm	Risk Assessment
4:00 pm	Enforcement Update

Day 2- February 19:

"Tools for Success"

As enforcement casts a wider net in the pursuit of fraud, waste and abuse recoveries, compliance professionals need to address emerging compliance challenges with new tools. This segment looks at tools and methods that will help even the most experienced compliance professionals succeed in addressing new challenges.

9:00 am	Core Compliance Training
10:00 am	Governance Essentials
11:00 am	Conflict of Interests
12:00 pm	Lunch
1:00 pm	Reducing Whistleblower Risk
2:00 pm	Compliance Investigations II
4:00 pm	Risk-Based Auditing

Additional Topics:

"Compliance Challenges and Emerging Risks"

Compliance professionals are often so busy maintaining a compliance program that there is little time to reflect on new and emerging compliance risks. This program will identify these risks, as well as means for staying abreast of new compliance risk areas.

- Legal Compliance Briefing
- Program Assessment
- Regulatory Update
- Using Compliance Surveys
- Compliance Risk Assessment
- AI Compliance Challenges

Faculty
