

2019 PROGRAM CALENDAR

WASHINGTON EXECUTIVE CERTIFICATION COURSE

APRIL 22-24, 2019 › ALEXANDRIA, VA

The Washington Executive Course is offered to experienced compliance professionals overseeing business units (hospital, health plan, region) or business lines (behavioral health, home care, hospice, commercial health plan, government health plan). The Course combines the best features of an interactive seminar with the content of an intensive course. You will be joined at the table by other experienced compliance professionals while receiving the content of one of the Trust's Certification Intensive Courses. This course meets all requirements to receive or renew the CCP or CCE credential.

COMPLIANCE CERTIFICATION INTENSIVE COURSE

JULY 31-AUGUST 2, 2019 › BOCA RATON, FL

The Compliance Certification Intensive Course provides education to compliance professionals while meeting all of the educational requirements to receive or renew the CCP or CCE credential. Simply put, virtually all compliance education offered today is at an introductory or undergraduate level. In contrast, the Compliance Certification Intensive Course aims to meet the educational needs of the experienced compliance professional workforce.

ANNUAL BEST COMPLIANCE PRACTICES FORUM

OCTOBER 21-22, 2019 › WASHINGTON, DC

The established forum for the free exchange of ideas among compliance professionals and for the identification of best compliance practices. Conducted in a vendor free environments, this program promotes learning from those whose programs have been recognized for excellence by peers. Many attendees describe the Forum as the premier event of the compliance year.

COMPLIANCE PROGRAM ASSESSORS COURSE

OCTOBER 23, 2019 › WASHINGTON, DC

This is a day-long, highly intensive course that teaches the Trust's proven approach to compliance program assessment. Completing the course also qualifies participants to serve as *Peer Reviewers* in the Trust's Compliance Program Certification process.

The Health Ethics Trust has provided the best value in compliance education for over 20 years.

Call for early enrollment discounts (90+ days) and for scholarship information.

WHERE COMPLIANCE LEADERS MEET TO SHARE INSIGHTS & EXPERIENCES

All courses carry credit towards the HET CCP and CCE Credentials.
