What are HET "Certification Intensive" Courses?

Certification Intensive Courses are 3-day programs offered by the **Health Ethics Trust (HET)** providing attendees the most current *strategies, tools, and best practices* to operate an effective compliance program along with pertinent information on the latest developments in healthcare compliance.

Why are they called "Certification Intensive"?

Not only are these programs *intensive* in the amount of information that is covered, but Certification Intensive Courses also satisfy *all* educational requirements for the **Certified Compliance Professional (CCP)** and **Certified Compliance Executive (CCE)** credentials.
