Certification Intensive Course Virtual

Online Course • February 19-21, 2025

What are HET "Certification Intensive" Courses?

Certification Intensive Courses are 3-day programs offered by the Health Ethics Trust (HET) providing attendees the most current strategies, tools, and best practices to operate an effective compliance program along with pertinent information on the latest regulatory and enforcement developments in healthcare compliance.

Why are they called "Certification Intensive"?

Not only are these programs intensive in the amount of information that is covered, but Certification Intensive Courses also satisfy all educational requirements for the Certified Compliance Professional (CCP) and Certified Compliance Executive (CCE) credentials. These credentials were the first compliance professional certifications and remain the most prestigious.

Why should I attend?

The Health Ethics Trust brings together a top-notch faculty for all its programs and Certification Intensive Courses are no different. Whether your needs are certification based or not, Certification Intensive Courses are the most efficient and cost-effective way to get the information you need to be a successful compliance professional and run a first-class

Continuing Education Units:

Certified Compliance Professional (CCP) and Certified Compliance Executive (CCE) Credentials

Completion of the Certification Intensive Course provides attendees with all educational required CEU's to apply for HET's CCP and CCE credentials. This course also provides continuing education credit toward most other recognized professional compliance credentials.

Member in HET:

Individual Membership

HET Individual Membership is designed for individual compliance professionals. Benefits include reduced tuition, access to members only site, audio conferences, compliance briefings, periodic advising, products discounts, and reduced certification fees.

Topics and Agenda (tentative)

Day 1- February 19:

“Compliance- The Essentials”

Not only does an organization need to have a healthy and collaborative culture for the compliance program to be successful, it needs a strong foundation of basic compliance principles. This segment addresses the basic components necessary to establish and maintain an effective compliance program.

| | |
|----------|---|
| 8:30 am | Registration |
| 9:00 am | Compliance Trends |
| 10:00 am | Integrating Quality & Compliance |
| 11:00 am | First Line of Defense |
| 12:00 pm | Lunch |
| 1:00 pm | Compliance Investigations I |
| 3:00 pm | Risk Assessment |
| 4:00 pm | OIG Work Plan |

Day 2- February 20:

“Tools for Success”

As enforcement casts a wider net in the pursuit of fraud, waste and abuse recoveries, compliance professionals need to address new and emerging compliance challenges with new tools. This segment looks at practical tools and methods that will help even the most experienced compliance professionals be successful in addressing these new challenges.

| | |
|----------|-------------------------------------|
| 9:00 am | Core Compliance Training |
| 10:00 am | Governance Essentials |
| 11:00 am | Conflict of Interests |
| 12:00 pm | Lunch |
| 1:00 pm | Reducing Whistleblower Risk |
| 2:00 pm | Compliance Investigations II |
| 4:00 pm | Risk-Based Auditing |

Day 3- February 21:

“Compliance Challenges and Emerging Risks”

Compliance professionals are often so busy maintaining a compliance program that there is little time to reflect on new and emerging compliance risks. This program segment will identify some of these risks, as well as means for staying abreast of new compliance risk areas.

| | | | |
|----------|--|----------|---|
| 9:00 am | Legal Compliance Basics | 12:00 pm | Lunch |
| 10:00 am | Compliance Program Assessment I | 1:00 pm | Using Compliance Surveys |
| 11:00 am | Current Regulatory Update | 2:00 pm | Compliance Program Assessment II |
